RTO Code 0101 | CRICOS No. 00001K

Thank you for your consideration to apply to study with the Canberra Institute of Technology (CIT). As part of the application process, we need to assess if students meet the criteria for Australian Governments Department of Home Affairs' Genuine Temporary Entry (GTE) to Australia.

All applicants who wish to apply to study at CIT on a student visa will be required to complete a CIT GTE form and submit a Statement of Purpose.

To ensure that only genuine students apply to come to Australia on a student visa, the Australian student visa process is extremely rigorous. For this reason it is highly recommended that you apply to CIT through one of our

many international education agents. They will assist and guide you through both the CIT application process and student visa process giving you the best opportunity for a successful outcome.

See CIT's International website for a current list of education agents: <http://international.cit.edu.au/agents>

If you are already in Australia on either a student visa or other temporary visa, you may not be required to apply through an education agent. Please contact the International Services Unit for the most up to date information regarding your proposed application to study at CIT.
